Re: Tenakee Springs Ferry Terminal Improvements  
DC 01321-00, 69444  
Letter of Final Acceptance

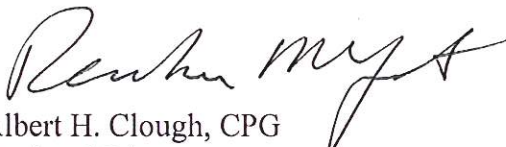

Dear Contractor,

Based upon our inspection of the referenced project, the Department has determined that the work substantially conforms to the Contract. This letter serves as formal notice of the State's Final Acceptance of the project, as qualified by §(105-1.16) of the Department's Standard Specifications. With this Final Acceptance, you are released from further obligations in connection with this contract, except those:

1. Established by federal, state, or local law;
2. Identified in §( 107-1.19 ) of the Standard Specifications;
3. Set forth in the Contract, e.g., provisions regarding warranty, guaranty, indemnity, insurance, bonds, etc.

Also as a reminder, you and your subcontractors must retain all books, records, and other paper and electronic documents relating to performance of the Contract for three years after the date of final payment of the Contract and each subcontract.

Sincerely,

  
for Albert H. Clough, CPG  
Regional Director

CERTIFICATION OF FINAL ESTIMATE

Project No(s): DC 01321-00, 69444 Total Amount of Project: \$131,383.31  
Project Name: Tenakee Springs Ferry Terminal Improvements

DEPARTMENT CERTIFICATION

The undersigned certifies that (s)he was in charge of the construction engineering for the State of Alaska for this project and that the foregoing final estimate was prepared under her/his direction and supervision, that to the best of her/his knowledge and belief the work set forth in said estimate has been performed in accordance with the plans and specifications and that the quantities and amounts set forth are correct.

Kraig J. Norheim, Project Engineer Date 2-3-2012

The undersigned certifies that (s)he has reviewed the foregoing final estimate and that payment for the quantities shown therein conforms with the contract and is true and correct to the best of her/his knowledge and belief.

Heidi Merane, Review Engineer Date 2-3-2012

The undersigned certifies that the construction engineering for this project was under the supervision of authorized representatives of her/his office, that the foregoing final estimate has been prepared and reviewed by such authorized representatives, that (s)he has reviewed the work and the estimate, that the work has been performed in substantial performance with the specifications and that the quantities and amounts shown in the estimate are true and correct to the best of her/his knowledge and belief.

[Signature], Construction Engineer Date 2/14/12

CONTRACTOR CERTIFICATION

The undersigned certifies that (s)he was the contractor on the above named project; that the work and materials for which payment is being included in this final estimate have been performed or furnished; that payment is just and due, and has not been made in full; and that her/his signature hereon authorizes final payment therefor.

The undersigned further certifies that all commitments or obligations made to property owners and others covering materials, royalties, access rights, waste areas, and other such rights of any nature, have been fully paid and satisfied; that all Federal, State and Local taxes incurred by the contractor, subcontractor, or other person or persons, in the performance of this contract have been fully paid and discharged; and that the contractor has not extended any loan, gratuity, or gift of money in any form whatsoever to any employee of the Department, nor has (s)he rented or purchased any equipment or materials from any such employee.
